

## EU Declaration of Conformity

We hereby declare under our sole responsibility that the Evaluator system meets the relevant provisions of the following European Union Directives:

- Council **Directive 93/42/EEC** of 14 June 1993 concerning medical devices as amended by Directive 2007/47/EC (**MDD**)
- **Directive 2011/65/EU** of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (**RoHS**)
- **Directive 2014/53/EU** of the European Parliament and of the Council of 16 April 2014 on radio equipment (Radio Equipment Directive)

The Evaluator has undergone a conformity assessment procedure required by the MDD and is manufactured in harmony with the Technical Documentation compiled as defined in the relevant Directives and retained by BTE.

Product information in regard to the **MDD** and **RoHS** Directives:

**EU Declaration of Conformity - Amendment**

We hereby declare under our sole responsibility that BTE and the BTE Evaluator meet the relevant provisions of the following European Union Regulation:

- **Regulation (EU) 2023/607** of the European Parliament and of the Council of 15 March 2023 amending Regulations (EU) 2017/745 and (EU) 2017/746 as regards the transitional provisions for certain medical devices and in vitro diagnostic medical devices (Text with EEA relevance)

Product information regarding Regulation (EU) 2023/607:

MDD Declaration of Conformity	BTE Declaration of Conformity for an MDR up-classified MDD Class I self-certified device remains valid.
NB Application	BTE has applied for EU MDR CE Marking with the Notified Body (Intertek Medical Notified Body AB, Notified Body Number NB 2862) prior to May 26, 2024 (January 23, 2024).
NB Signed Written Agreement	BTE has applied for EU MDR CE Marking with the Notified Body (Intertek Medical Notified Body AB, Notified Body Number NB 2862) prior to September 26, 2024. Once application is approved, signed written agreement will be performed.
CE Marking provision	Under Regulation (EU) 2023/607, the device may continue to be placed on the market after <b>May 26, 2024</b> , provided the specified conditions continue to be met, including: <ul style="list-style-type: none"> <li>• will continue to comply with the MDD (93/42/EEC)</li> <li>• no significant change in design or intended purpose</li> <li>• the device will comply with the MDR requirements for post market surveillance, vigilance, and registration of economic operators and devices</li> </ul>
Legacy CE mark criteria	Regulations (EU) 2017/745, (EU) 2023/607: "Devices for which the conformity assessment procedure pursuant to Directive 93/42/EEC did not require the involvement of a notified body, for which the declaration of conformity was drawn up prior to 26 May 2021 and for which the conformity assessment procedure pursuant to this Regulation requires the involvement of a notified body, may be placed on the market or put into service until 31 December 2028." Article 120.3b
